

Shipping Solution for Ecommerce Sellers

Easy integration: Stores, Marketplaces, Deal Sites, Inventory & Accounting

4 reasons you should try ShippingEasy:

- 1. Stores | Marketplaces integrate.** ShippingEasy brings in orders in real time from wherever you sell online. 30+ integrations including eBay, Amazon, Volusion, Magento, BigCommerce, Shopify, QuickBooks, Channel Advisor + more.
- 2. Lowest USPS Rates | Multi-Carrier.** Commercial Plus Pricing saves you money over the rates available from PC Postage providers. Exclusive Flat Rate Green pricing on items under 20lbs. Your negotiated rates with FedEx and UPS + SurePost and SmartPost.
- 3. Easy to use.** Simple software that helps you print labels fast. All the tools and options you need without the clutter. Split orders. Combine orders. Map orders. It's all here.
- 4. We help.** All paid plan users get the benefit of being walked through the set up process. Phone, email and chat forevermore.

What you'll get access to:

- **Batch shipping:** Print labels and packing slips in batches of 200
- **Rules & automation:** map order details to carriers and more
- **Fast label printing:** to designated thermal, laser or other printer
- **USB scales:** plug it in to auto-populate weight in the app
- **Reporting:** advanced order & shipping analytics across all selling channels
- **Amazing support:** polite specialists available 7am-7pm
