Shipping Solution for Ecommerce Sellers
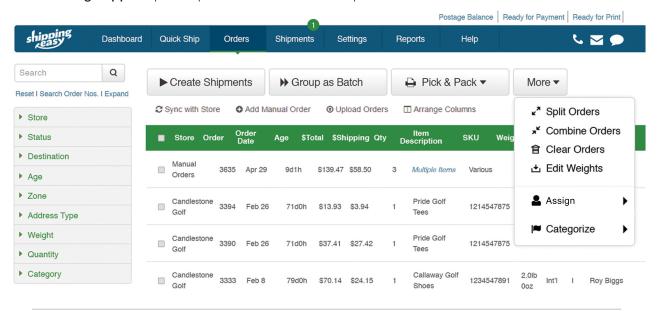

Easy integration: Stores, Marketplaces, Deal Sites, Inventory & Accounting
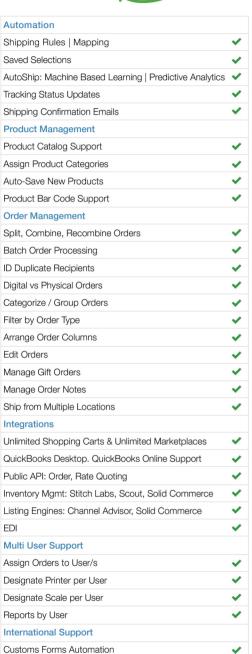

4 reasons you should try ShippingEasy:

1. Stores | Marketplaces integrate. ShippingEasy brings in orders in real time from wherever you sell online. 30+ integrations including eBay, Amazon, Volusion, Magento, BigCommerce, Shopify, QuickBooks, Channel Advisor + more.

2. Lowest USPS Rates | Multi-Carrier. Commercial Plus Pricing means you get the lowest prices available from USPS. Exclusive Flat Rate Green pricing on items under 20lbs. Your negotiated rates with FedEx and UPS + SurePost and SmartPost.

3. Easy to use. Simple software that helps you print labels fast. All the tools and options you need without the clutter. Split orders. Combine orders. Map orders. It's all here.

4. We help. All paid plan users get the benefit of being walked through the set up process. Phone, email and chat forevermore.

What you'll get access to:

- **Batch shipping:** Print labels and packing slips in batches of 200
- **Rules & automation:** map order details to carriers and more
- **Fast label printing:** to designated thermal, laser or other printer
- **USB scales:** plug it in to auto-populate weight in the app
- **Reporting:** advanced order & shipping analytics across all selling channels
- **Amazing support:** polite specialists available 7am-7pm
