

Shipping & Inventory Solution for eCommerce Sellers

Easy Integration: Stores, Marketplaces, Deal Sites, Inventory & Accounting

5 reasons you should try ShippingEasy:

- 1. Stores | Marketplaces integrate.** ShippingEasy brings in orders in real time from wherever you sell online. 30+ integrations including Amazon, eBay, Walmart, Etsy, Shopify, BigCommerce, Volusion, Magento, QuickBooks, Channel Advisor + more.
- 2. Lowest USPS Rates | Multi-Carrier.** Commercial Plus Pricing means you get the lowest prices available from USPS. Exclusive Flat Rate Green pricing on items under 20lbs. Integrate your negotiated rates with FedEx and UPS + SurePost and SmartPost.
- 3. Inventory Management.** Real time updates across all selling channels. Built in POs, supplier management, low stock thresholds and rules.
- 4. Customer Management.** Manage and communicate - all customers, all channels. Segmentation tools, email templates, full tracking and reporting.
- 4. Easy to use.** We help. Print labels fast. Customize to fit your shipping process. Complimentary set-up and training. Phone, chat and email support all day.

What you'll get access to:

- **End to end platform:** shipping, inventory and customer management - all in 1 solution
- **Batch shipping:** print labels and packing slips in batches of 200
- **Rules & automation:** map order details to carriers and more
- **Integrated workstation:** connect unlimited printers and scales
- **Reporting:** advanced order & shipping analytics across all selling channels
- **Worldclass support:** knowledgeable specialists available 7am-7pm CST
