Ship fast. Best rates. Grow orders.

Instant Rate Shopping	**All your Labels. Less Clicks.**	**One-on-One Training**	**World Class Service**
Always get the lowest rates – compare carriers' services in just one click.	Use Shipping Rules or Batching to remove the guess work.	A shipping expert will show you exactly how to ship your orders.	Here to help every step of the way, from setup to ongoing support.

All Orders
In One Place

All orders from **all stores and marketplaces**, all within ShippingEasy. Over 50 integrations supported including Amazon, eBay, Walmart, Etsy, Shopify, WooCommerce, Volusion, Magento, Squarespace, ChannelAdvisor, and more.

Easily Access
Discounted Shipping Rates

ShippingEasy has the **lowest USPS rates** and access to all current carrier discounts. Plus, ShippingEasy has **exclusive Flat Rate Green** pricing on items under 20lbs. Sellers can offer flat rate or free shipping with their time and money savings.

Quickly Automate
Common Shipping Tasks

Set automated shipping rules to match workflows and customer preferences. Even **set shipping labels to print automatically** right when the order syncs. When you print the label, we'll automatically update your store with the tracking number and update the status - easy!

Everything You Need
To Grow Orders

ShippingEasy equips you with tools to grow your business. With our **Inventory Management** add-on, you can automate inventory processes, simplify bundling, and manage purchasing all in one place. The **Customer Insights and Marketing** add-on helps you drive orders, generate more reviews, and gain repeat business.
