EASIEST CLOUD-BASED SHIPPING PLATFORM FOR E-COMMERCE SELLERS

ShippingEasy is a FedEx Compatible Software Provider with all the features and services you need. Access your negotiated FedEx rates, print labels, and ship orders, all in a single platform.

One-Step Account Verfication	FedEx SmartPost®	FedEx One Rate®	Domestic and International Freight Services
View your rates immediately	All package types available	Flat rates for shipping your orders	No Bill of Lading required

5 Reasons to Try ShippingEasy

1. **One integration for everything**
   With over 60 integrations, directly download orders from wherever you sell. Process and print orders from multiple locations with ease. Tracking numbers and shipping status are automatically sent to your stores and customers.

2. **Complete workflow support**
   However you work, ShippingEasy makes it easier. Access all the features you're used to, like third-party billing, multi-box support, signature confirmations, and insurance. Print labels one-by-one, batch print, or automate the entire process—ShippingEasy makes it possible.

3. **Customize your experience**
   ShippingEasy gives you the tools to customize everything your way. Put your logo on labels, customize pick lists and packing slips, personalize confirmation emails, and more! Our platoform gives you the freedom to do it all.

4. **Award-winning customer support**
   Get personalized onboarding from our team of experts. Improve your shipping process with our extensive knowledge of all things shipping. Receive ongoing support for all features, including inventory management and customer marketing, by phone, email, or chat!

5. **Do more than ship**
   Utilize our inventory management and customer marketing tools for your business. Easily track stock levels on your platforms including bundles and variants. Check out our complete library of customizable email templates for promotional or automated emails.
