

## E-commerce shipping for **USPS**® solved.

### Online Specialists

Genuine experts in online selling, fulfillment, and shipping.

### All Your Labels. Less Clicks.

Use Shipping Rules or Batching to remove the guess work.

### Instant Rate Shopping

Always get the lowest rates – compare carriers' services in just one click.

### Award-Winning Service

Here to help every step of the way, from setup to ongoing support.

### All Orders In One Place

All orders from **all stores and marketplaces**, all within ShippingEasy. Over 50 integrations supported including eBay, Amazon, Walmart, Etsy, Shopify, WooCommerce, Volusion, Magento, Squarespace, ChannelAdvisor, and more.

### Easily Access Discounted Shipping Rates

ShippingEasy has the **lowest USPS rates** and access to all current carrier discounts. Plus, ShippingEasy has **exclusive Flat Rate Green** pricing on items under 20lbs. Sellers can offer flat rate or free shipping with their time and money savings.

### Quickly Automate Common Shipping Tasks

Set automated shipping rules to match workflows and customer preferences. Even **set shipping labels to print automatically** right when the order syncs. When you print the label, we'll automatically update your store with the tracking number and update the status - easy!

### Everything You Need To Grow Orders

ShippingEasy equips you with tools to grow your business. With our **Inventory Management** add-on, you can automate inventory processes with two-way sync, simplify bundling, and manage purchasing all in one place. The **Customer Insights and Marketing** add-on helps you drive orders, automatically generate more reviews, and gain repeat business.
